

## EDUCATION

---

**The University of Texas at Austin** Plan II Honors, B.A. Biology Honors, B.S.A.

May 2021  
Overall GPA: 3.88

## LEADERSHIP EXPERIENCE & ACTIVITIES

---

**Natural Sciences Council Outreach Coordinator** April 2019-Present

- Plan and execute fundraising efforts, raising over \$9,000 for council initiatives
- Fuel collaborations and strengthen relationships with organizations at UT and in the broader Austin community
- Collaborate as an executive board to advocate for the CNS student body and improve the student experience

**Senate of College Councils Recruitment & Retention Committee Co-Chair** April 2018 - April 2019

- Plan and expand events to promote the pursuit of higher education to underprivileged students in Austin
- Lead the process of writing, publicizing, reviewing, and interviewing for two University scholarships to increase retention and support for undergraduate students in financial need
- Direct and supervise seven committee members, including delegating tasks, fostering a positive atmosphere, and encouraging collaboration and innovation

**Plan II Student Association Diversity Coordinator** April 2018 - April 2019

- Foster an inclusive atmosphere within Plan II through Convocation, Freshman Getaway, and high school recruitment events
- Meet with Plan II administrators to improve the recruitment process, application process, and the classroom experience for minority students in the program

**Texas Orange Jackets Fundraising Committee Member** September 2019 - Present

- Participate in service and scholarship events, and serve as the official hosts of the University through UT's oldest women's service organization
- Collaborate with 24 women to create a year-long service project that benefits the community

## WORK EXPERIENCE

---

**LifeWorks Research & Evaluation Intern** January 2019 - May 2019

- Use methods of design thinking, logic modeling, and literature reviews to conduct research on youth perception of mental health through LifeWorks' Community-Based Psychiatric Program
- Work with youth experiencing housing instability to receive safe and accessible mental health care

**The LIVESTRONG Foundation Development Intern** June 2019 - August 2019

- Analyze data regarding donor relationships by creating weekly donor reports
- Create and present a passion project that uses care maps to argue for person-centered care models and interdisciplinary healthcare systems

## SERVICE

---

**LifeWorks Volunteer** May 2019 - Present

- Support various projects including street outreach, psychiatric care evaluations, survey distribution, and data analysis

**Young Scientists Tutor** February 2018 - Present

- Teach students science lessons to promote STEM education at underserved schools and shelters

**Plan Tutoring Tutor** September 2017 - May 2018

- Directed and encouraged high school students at KIPP Austin through the college application process
- Assisted students on financial aid applications, essay writing skills, and test preparation
